#BuyBuloke

Here's a helping hand –
from all of us, to all our
local businesses

Let's help our businesses get back on track after
COVID-19 by ticking off as many of these items
as we can over the coming weeks.

There's plenty of choices and lots to share –
with those close to home or further away.

**Put this checklist on
your fridge and
give it a go!**

And make sure to support businesses online
by following and liking, or leaving a positive
review.

Let's share our strengths.
