

WHAT DO I NEED TO DO?

Go to the *Streatrader* website –
<https://streatrader.health.vic.gov.au>
You will be directed to Business Victoria
Online, where you will create your
login (unless you already have one, in
which case you just simply fill in your
username and password). Once your
login details are complete you will
automatically enter the *Streatrader*
website. Now you are ready to

complete your forms. *Streatrader* will
guide you through the process until
you're ready to hit the lodge button.

*Please remember that you will need
to comply with any roadside trading
or planning laws in the council where
you plan to trade.*

NEED MORE?

For more information contact

New registration and
notification website for
temporary and mobile
food businesses

DO YOU OPERATE A TEMPORARY OR MOBILE FOOD BUSINESS?

It may be a market stall or tent, a food van or vending machine.

Registration and notification of your business is about to become easier with the launch of *Streatrader* – a new website for:

- Registration applications
- Notification lodgments
- Advising any Victorian council that you will trade in its municipality
- Managing your business details
- Paying fees

WHAT IS STREATRADER?

A new website that allows registration and notification of temporary and mobile food businesses to your principal council. You no longer need to fill out paperwork for multiple councils where you operate.

Just apply online with your principal council – identified by where you:

1. Prepare food before trading; or
2. Store food before trading

If you don't do either of these, your principal council is where you:

3. Store equipment for your stall or tent; or
4. Garage your vehicle

WHAT ARE THE BENEFITS?

Simple

All the forms you need to fill in are now available online. *Streatrader* will guide you through the process. It will even identify your principal council.

Efficient

When your online application to register or notify is accepted by your principal council, you can trade anywhere in Victoria, provided you lodge a Statement of Trade.

Convenient

Being online means you can log in anywhere, anytime, and lodge or update your forms or contact details.
