Buloke Bounce Back

Building on the great work done by our Buloke residents in keeping each other safe, it is time to re-connect and recover as Buloke Bounces Back from COVID-19.

The Victorian Government's COVID-19 Community Activation and Social Isolation (CASI) initiative aims to help people maintain important connections with family, friends and community and to build new social connections and networks within their local communities.

We are pleased to announce that quick-action Community Activation Grants of up to \$2,000 are available to community groups working within the Buloke Shire.

These grants are designed to help activate projects which increase social connections in our communities.

- Do you have an innovative way to connect people who are finding it hard to get out and about again?
- Does your group need a little extra boost to get members back together?
- Will some financial support help to make your social connection opportunity COVID Safe?

To enable the quick-response nature of this program, applications will be assessed on a rolling basis, with the closure of the program on Friday 11 June 2021.
