Have Your Say - Birchip Park and Civic Precinct Masterplan

An important planning project for Birchip is about to launch to develop a comprehensive Birchip Park and Civic Precinct Masterplan in close consultation with the Birchip community.

The purpose of the masterplan is to review key community and civic facilities, including the Shire Office, Senior Citizens Building, Old Shamrock Hotel, Shire Hall and Birchip Park (excluding swimming pool) and identify whether the current facilities are able to provide what the community wants and needs into the future.

There are many ways to get involved including attending listening posts, workshops or simply taking part in completing a survey.

Don't miss your chance to help shape the future of the heart of Birchip. Consultation is now open and to get involved visit www.buloke.vic.gov.au.

Donald Solar and Battery Information Meeting

Donald residents and business owners are invited to attend a free Info Meeting about the Mallee Sun Solar Bulk-Buy.

This council-supported bulk-buy is a great way to go solar and support your local community.

What's more, there is a new \$500 exclusive solar and battery rebate for Donald residents and businesses. This rebate is available to eligible residents in Donald through the C4NET microgrid feasibility project for Donald.

This Info Meeting is a great opportunity to find out about the bulk-buy and the \$500 rebate. This rebate is on top of other Federal and State Government rebates for solar and battery storage.

The event will be held at the Donald Recreation Reserve, Borung Highway, Donald 3480 on Wednesday 8 September, 6.00pm-7.30pm.

To register, call 1300 466 274 or visit www.mash.org.au/donald

"I liked that the bulk-buy is a council-supported program with free solar that goes back to the community." - Colleen T, bulk-buy participant, Donald.
