

Have Your Say - Birchip Park and Civic Precinct Masterplan

An important planning project for Birchip is about to launch to develop a comprehensive Birchip Park and Civic Precinct Masterplan in close consultation with the Birchip community.

The purpose of the masterplan is to review key community and civic facilities, including the Shire Office, Senior Citizens Building, Old Shamrock Hotel, Shire Hall and Birchip Park (excluding swimming pool) and identify whether the current facilities are able to provide what the community wants and needs into the future.

There are many ways to get involved including attending listening posts, workshops or simply taking part in completing a survey.

Don't miss your chance to help shape the future of the heart of Birchip. Consultation is now open and to get involved visit www.buloke.vic.gov.au.

Supporting Local Businesses

It is always great to support our local businesses. Right now, more than ever, they need your trade.

Unsure what is on offer in your town or any town across Buloke Shire? Jump on our dedicated website www.buybuloke.com.au where you can explore our many businesses and find their opening hours.

If you notice anything that needs to be added or edited please use the 'Update Us' facility on the contact page of the website or call Council on **1300 520 520**.

Another easy way to help support businesses is to 'check in' every time you visit. It's mandatory to check in at every venue, including retail and supermarkets, using the Services Victoria app and QR code or alternative means like pen and paper for those who don't have a smartphone.

As well as remembering to carry your ID and wearing a mask, please remain patient and friendly with staff and fellow customers.

Make a Splash This Season!

Get ready to grab a towel! Council has set the dates for the upcoming swimming pool season.

The gates will open at all seven of Council's pools on Friday 12 November 2021 with the season scheduled to conclude on Sunday 20 March 2022.

The Cold Weather Policy will again apply across the season, seeing pools closed on days of low temperature and 'banked' to extend the season should warmer weather continue beyond the scheduled season.

For those looking for casual employment across the season, our popular Pool Lifeguard positions are now open.

See you at the pool!

FREE Green Waste Month is Coming

To help make Buloke Fire Ready for the upcoming season, Council is accepting green waste FREE OF CHARGE through the month of October at all landfills and transfer stations.

Every landowner in the Shire has a responsibility to minimise the threat to life and property from fire.

There are a number of steps that you can take to make your property "fire safe".

Mowing up to fence and building lines, trimming trees and hedges, removing accumulated rubbish and removing flammable materials such as tyres.

Rural landowners with property adjacent to town boundaries can also help through rubbish removal and putting firebreaks within their property boundary.

Let's clean up and be Fire Ready this season.

Employment Opportunities

Council is an equal opportunity employer. Our roles are non-gender specific and Council encourages all suitably qualified applicants to apply. Council is recruiting for:

Pool Lifeguards – Season November 2021 to March 2022
