

# COMMUNITY UPDATE

## MyGov Vaccination Linking Sessions

With the changes to the restrictions, and the need for members of the community to show proof that they have been vaccinated before they are allowed entry into certain businesses across Victoria, Buloke has partnered with the Neighbourhood Houses to run sessions with community members to help them to print off their vaccination certificates, or to sign up to MyGov so that they can have their digital version of the COVID Vaccination certificate.

There will be sessions across Buloke over the coming few weeks, and this is the perfect opportunity for anyone in Buloke to get help with their Proof of Vaccination.

**For more information and to book in for next month's confirmed sessions, call your contact below.**

## Have Your Say – Buloke Climate Change Mitigation Adaptation Strategy and Plan

Council has developed a 10-year Climate Change Mitigation and Adaptation Strategy and Plan, which is a clear, concise and actionable plan for implementation into the Council and community with actions categorised into 13 goals for climate action.

A community survey has already been undertaken which identified risks and opportunities under the themes of people, natural resources, built environment, economy and council operations.

Now as the Strategy is in draft form, there is another opportunity for the community to provide their feedback on this important piece of work.

For more information, and to read the draft Strategy, visit: [www.buloke.vic.gov.au](http://www.buloke.vic.gov.au) or call **1300 520 520** for more information
