

Playspaces Project

Designs for the new Buloke Playspaces Trail have been released.

The Trail will include the townships of Berriwillock, Birchip, Charlton, Donald and Wycheproof.

The Trail aims to create a series of different and interesting playgrounds families can visit, encouraging visitors and the community to move around and explore the different towns on the Trail.

Funded by the Victorian Government's Regional Infrastructure Fund, the designs enhance the region's family friendly amenities, making Buloke a destination of choice for those seeking a change of lifestyle, as well as providing improvements for the whole community.

View the plans at www.buloke.vic.gov.au

Support For Volunteers

'Expand Your Impact' is a series of free online workshops to develop new skills and discover practical solutions in a fun, friendly format. As part of Buloke Council's 'Great People Doing Great Things' initiative, the workshops are open to all residents, businesses and organisations in the community.

Sessions are available at different times to make the workshops more accessible to everyone and support participants in learning new skills, developing confidence, connecting with others and being more effective in their community.

Registrations for these free sessions are now open at: www.makeachange-buloke/eventbrite.com

Get It Sorted - Recycling

Depositing the correct recyclables into yellow-lid recycling bins ensures these items can be sorted easily and repurposed for use in a variety of products.

Unsorted loads make it harder to recycle and cop the maximum sorting fee.

Buloke Shire Council's recyclables have been transported to a recycling facility in Melbourne since 1 July 2021, under an arrangement secured by Council's waste contractor.

If you are unsure about what can be placed in mixed recycling, or you want to know more about Council's expanding recycling program visit www.buloke.vic.gov.au.

Remember recycling reduces waste to Council's landfill, saves your money and the environment.

Streetscape Pathways

Wycheproof's new concrete and brick footpath is currently being laid and will soon reach the reserve in front of the Senior Citizens Club. Plans for the reserve's development have been posted around the town and are available on Council's website.

Landscaping Damage

A number of plantings were recently removed from the newly landscaped Birchip town centre, which had recently been completed ahead the Mali Heart Street Festival.

Stealing or damaging Council property is a serious offence and affects the entire community. Council asks that anyone with information about the incident contact Buloke Customer Service on 1300 520 520.

Have Your Say - Complaints Handling Policy

Council has reviewed its Complaints Handling Policy and is seeking community feedback.

The policy aims to ensure that customers can raise their complaints easily and with confidence that Council will listen and respond to their concerns, handling their complaint in a fair and equitable way.

Council takes an all of organisation approach to customer service, is committed to its customers and aims to provide efficient and responsive services, whilst always striving for improvement.

Council values your feedback, so make sure you have your say on the Complaints Handling Policy, which is open for comment on Council's website until Wednesday 30 March 2022.

Notice of an Application for a Planning Permit

The land affected by the application is located at **60-66 Best Street, Sea Lake**.

The application is for a permit for a **liquor licence**. The application reference number is **PPA972/22**.

You may look at the application and any documents that support the application on the **Buloke Shire Council website** or by making contact with the office of the Responsible Authority, **Buloke Shire Office, Wycheproof**.

This can be done during office hours and is free of charge. Any person who may be affected by the granting of the permit may object or make other submissions to the Responsible Authority.

An objection must be sent to the Responsible Authority in writing, include the objectors name and contact details, include reasons for the objection, and state how the objector would be affected. An objection form is available on the Planning and Building page of the Buloke Shire Council website.

The Responsible Authority will not decide on the application before **31 March 2022**.

If you object, the Responsible Authority will tell you it's decision.

Employment Opportunities

Council is an equal opportunity employer. Our roles are non-gender specific, and Council encourages all suitably qualified applicants to apply. Council is currently recruiting for:

Urban Maintenance Operator (Medium Plant)

Are you an enthusiastic team player, who is available to work temporary full-time, based in Wycheproof?

→ Applications close 5:00PM Friday 1 April 2022.

Visit www.buloke.vic.gov.au/employment or call Human Resources on 1300 520 520 for full details on this exciting role.
