

COVID-19 Update

The Victorian Government has communicated a new set of standards for us to follow. No longer are there five reasons to leave your house, but we are all urged to use our common sense in limiting our movement. During the COVID-19 pandemic the Buloke community has demonstrated the sort of kindness to each other that makes you take notice.

Council staff have seen and had many stories of kindness relayed to us during this difficult time. It makes you proud.

Over the next weeks, we will share some of these stories of kindness with you on social media.

We would love you to leave your stories of kindness to share on any of the posts you see.

As we reinstate some facilities and services minimising disruption is a high priority, second only to the health and wellbeing of the community. Council will continue to keep the community updated and you can find a range of resources and a full list of affected services at www.buloke.vic.gov.au/coronavirus-covid-19-health-alert.
