COVID-19 Update

Victoria is experiencing a spike in COVID-19 cases. Whilst this is largely confined to metropolitan areas, we must recognise that this isn't over and do our part. If you are showing any symptoms, no matter how mild, get tested.

Whilst the metropolitan area and Mitchell Shire are locked down for the next period, we in Buloke need to remain committed to our community's wellbeing.

We know most people want to do the right thing and protect each other. While we would love to see the place buzzing with eased restrictions, we have to be mindful that here in Buloke our average age of residents is 51 and close to 30% of our population is aged over 65.

Local testing is available in Buloke.

If you are demonstrating symptoms, please ring ahead to your health service campus or GP to discuss the best way to access testing.

Both East Wimmera Health Service (Donald, Charlton, Bircchip, Wycheproof) and Mallee Track Health and Community Service (Sea Lake) continually update testing information through their newsletters, media and social media.

If you have symptoms, make a call, get tested and help keep Buloke safe.

Council will continue to keep the community updated and you can find a range of resources and a full list of affected services at www.buloke.vic.gov.au/coronavirus-covid-19-health-alert.
