

COVID-19 Update

Council is here for business.

We have established a business support team with staff being employed to this area under the Working for Victoria Program to assist our incumbent staff.

As a part of the 2020/21 budget, Council adopted an initiative to offer local businesses which require registration under The Food Act 1984 (VIC) and/or the Public Health and Wellbeing Act 2008 (VIC) fee assistance for their 20/21 registration renewal fee to those who have been impacted by COVID-19.

Many eligible businesses have placed their application to this initiative and those are currently being assessed. If you haven't received a form to and would like to apply for this initiative, please get in touch.

You can view Council's COVID-19 Financial Hardship Policy at www.buloke.vic.gov.au/policies

Council will continue to keep the community updated and you can find a range of resources and a full list of affected services at www.buloke.vic.gov.au/coronavirus-covid-19-health-alert
