

## INTRODUCING OUR 2026 YOUTH ADVISORY GROUP

The 2026 Buloke Youth Advisory Group (YAG) recently participated in an informative session with Council staff, gaining insight into key services including Waste, Pools and Aquatics, and Project Delivery, while also sharing their ideas and feedback.

A highlight was meeting with the Executive Management Team and Mayor over lunch and providing an opportunity for open discussion on issues important to young people.

Buloke Shire Council remains committed to empowering youth and valuing their input, with the YAG playing an important role in strengthening connections between Council and the community. Those interested in getting involved are encouraged to call or text Torri on 0498 574 911.
