Community Satisfaction Survey

Council would like to inform residents that throughout February, your household may receive a call from an independent market research agency, National Field Services.

They have been commissioned to conduct a community satisfaction survey on behalf of Council. Similar surveys will be undertaken across Victorian Councils in the coming months. The survey has been designed to assess the performance of Buloke Shire Council across a range of measures to identify ways to provide improvement or more effective service delivery to residents.

The survey will involve interviews conducted among a representative sample of residents.

We appreciate you taking the time to assist us with your valuable feedback.

Please be assured that your details and individual responses are confidential. Only the overall results are shared with the Buloke Shire Council.

If you have any questions about the survey please contact Council's Manager Customer Engagement, Travis Fitzgibbon on 1300 520 520.

Pool Season Extended

Council's Swimming Pool season will be extended and will now conclude on Sunday 15 March 2020.

Council has banked days throughout the season when the pools didn't open due to low temperatures in line with our Cold Weather Policy.

So now there will be six extra days to enjoy some free fun at your local pool if the warmer weather continues.
