Have Your Say – Draft Fair Access Policy

Council is excited to share our Draft Fair Access Policy with you. This policy has been developed in response to the Victorian Government's Fair Access Policy Roadmap, aiming to tackle barriers faced by women and girls in accessing and utilising community sports infrastructure.

At its core, this policy sets the expectation that gender equality is not just considered but prioritised in all aspects of Council's planning, policy-making, service delivery, and practices related to community sports infrastructure. We're committed to creating inclusive spaces where everyone can thrive!

Specifically, this policy applies to community sports infrastructure owned or managed by the Council and benefiting from Council's recreation allocation funding program.

Your feedback is invaluable in shaping this policy and ensuring it truly reflects the needs and aspirations of our community. We want to hear from you!

You can access the Fair Access Community Survey here: <https://forms.office.com/r/iX70rxyzE>

You can also share your thoughts, suggestions, and comments on the Draft Policy by emailing us at **buloke@buloke.vic.gov.au**.
