

Support for Farmers

Farmers within Buloke are now eligible for a range of drought and dry conditions support.

The On-Farm Drought Infrastructure Grants program is available to assist primary production businesses to implement on-farm infrastructure improvements and

undertake essential business activities that improve resilience to drought.

Eligible farmers will receive up to \$5,000 (ex-GST) as a co-contribution grant that will support activities including water infrastructure upgrades (such as pipes, tanks, troughs and dams), stock containment areas, and grain and fodder storage.

New eligible activities have been added to the program, including water carting and pasture re-establishment in recognition of the broad pressures farmers are managing

A range of services are available, including one-on-one farm advisory consultations to take stock and discuss the best way forward for their business.

Visit www.agriculture.vic.gov.au/drought or phone 136 186.

Look Over The Farm Gate Grants

This funding program provides an opportunity to bring communities together to support farmers and their families under stress.

Managed by the National Centre for Farmer Health on behalf of the Victorian Government, the program offers **grants of up to \$5,000** for community-led events that promote social connection and mental health awareness.
