

## Get To Know Your Councillor

Cr. Pollard has been a Lower Avoca Ward Councillor since 2008, and brings vast local knowledge to his role in Council.

Holding the position of Mayor on three occasions, most recently in 2017/18, David has also served as Deputy Mayor four times.

A capacity to genuinely engage with constituents, David is happy to spend time listening to fully understand issues, and works to resolve these through a partnership approach.

An active exponent for Buloke needs, David has established strong networks through government outlets, and is focused on seeing financially sustainable outcomes developed for the Buloke region.

Extensive community involvement extends to leadership roles in the CFA, more than 25 years as a Casual Officer with Ambulance Victoria, a dedicated volunteer for the Scouting movement and as a driving force in the establishment of Charlton's Rex Theatre as a community owned and operated venture.

A life-time of family farming also ensures David's appreciation of the region's agricultural needs, and offers an extensive resource through his wide connections.

His strong interest in theatre is reflected through a more than 40 year association with the Rex, and with his determination to create diverse entertainment opportunities for rural areas.

David is married and works the family farm near Wycheproof with his brother.
