

Buloke | Glass Out

A **FREE** service has commenced across Buloke Shire Council to help improve the way our community recycles. You can now take your lightly rinsed empty glass bottles and jars to a local drop off.

To find out more including opening times of above drop off locations, or to update your recycling knowledge visit www.buloke.vic.gov.au/glass-out. For further information contact 1300 520 520.

These glass drop off sites, are located at various places across our Shire:

- **Birchip Landfill:** 2094 Birchip-Corack RD Birchip
- **Charlton Waste Transfer Station:** St Arnaud RD Charlton
- **Donald Waste Transfer Station:** Depot RD Donald
- **Sea Lake Landfill:** Robinvale RD
- **Wycheproof Waste Transfer Station:** 281 Mackies RD Wycheproof

Help make the most of your glass recycling, so that it can be turned into things we can re use... like roads and new glass items. Glass out sites will soon be offered at small townships, and all towns will be having a central drop off point.

Cr Alan Getley returned as Mayor for Buloke Shire Council

Cr Alan Getley has been re-elected for second term as Mayor of Buloke Shire Council with Cr Bronwyn Simpson elected as Deputy Mayor for the first time at the Statutory Meeting of Council held on Wednesday 8 November 2023.

Both roles are for a term of one year and lead up to the 2024 Council Elections.

Asbestos Awareness Month

November marks the 10th Annual National Asbestos Awareness Month.

Deadly asbestos remains hidden in one third of Aussie homes including brick, weatherboard, clad and fibro homes as well as apartments that were built or renovated prior to 1990. Asbestos can be found in many places around the home including under floor coverings, behind wall and floor tiles, in cement floors, internal and external walls, ceilings and ceiling space (insulation), eaves, garages, roofs, around hot water pipes, fences, home extensions, garages, outdoor toilets, backyard and farm structures, chook sheds and even dog kennels.

Over 4,000 Australians die every year from asbestos-related diseases and with the popularity of renovating on the rise, more homeowners are taking unnecessary risks with asbestos, jeopardising their health and the health of their families when doing DIY renovations.

Buloke Shire Council is committed to educating our community about the dangers of asbestos and encouraging them to learn how to manage asbestos safely.

We can all do our part to learn more about dealing with Asbestos safely by accessing free user-friendly life-saving information at

<https://asbestosawareness.com.au>

Respect Asbestos – It's not worth the risk!

Birchip Swimming Pool – Temporary Access Change

As we build up to the start of the Pool Season on Saturday 18 November please note that the Birchip Swimming Pool will be temporarily accessed via the pedestrian gate off Sherwood Street whilst the remainder of the works to the Birchip Memorial Park shared park and swimming pool fencing is completed. Council thanks visitors to the Birchip pool for their understanding whilst we finalise these improvements.

COVID Update

You have likely noticed that Community transmission of COVID is increasing across our community.

This is an expected part of the ongoing evolution of COVID in the community, as our immunity wanes with time and does not appear to be linked to a single new variant.

The Department of Health will continue to monitor surveillance indicators and keep the public informed of when COVID transmission returns to a low level of activity.

Council has Rapid Antigen Tests available **FREE** of charge for our community from our Customer Service Centre at 367 Broadway, Wycheproof.

Australia Day Awards Now Open

Do you know someone who makes your community a better place?
