

Attention Primary Producers in Buloke

In the wake of the recent storm event, we understand many of you might be facing significant challenges, including fence damage due to fallen trees and high winds.

BlazeAid, a volunteer-based organisation, can assist in removing debris from fences, standing them up and rebuilding fences.

If you've been affected and think you could use a hand, please don't hesitate to reach out.

To justify the mobilisation of BlazeAid's valuable resources we are aiming to engage 16-18 properties within a 30km radius. Contact the Community Recovery Team without delay at 1300 520 520 to express your interest or for more information.
