8.2 MANAGEMENT REPORTS

8.2.1 APPOINTMENT OF AUDIT AND RISK COMMITTEE CHAIR

Author's Title: Director Corporate and Organisational Performance

Directorate: Corporate and Organisational Performance

File No:
FM/02/09

Relevance to Council Plan 2021 - 2025

Strategic Objective: A Well Governed and Healthy Organisation

PURPOSE

The Audit and Risk Committee (Committee) operates in accordance with a Charter adopted by Council on 9 November 2022 and provides for the appointment of the Audit and Risk Committee Chairperson, setting a maximum consecutive term of two years. The Chairperson of the Audit and Risk Committee must be an independent member of the Committee.

This report presents a recommendation to Council for the appointment of Mr Dean Sleigh as Chairperson of the Audit and Risk Committee for the remainder of his second term, concluding on 15 November 2025.

SUMMARY

Mr Sleigh will conclude his second term as an Independent Member on Council's Committee in November 2025. This report recommends his appointment to the position of Chairperson for a shortened term to align with the remainder of Mr Sleigh's second term, concluding on 15 November 2025.

RECOMMENDATION

That Council:

1. Appoint Mr Dean Sleigh as Chairperson for the Audit and Risk Committee.
2. Note that the appointment will be for a shortened term, concluding on 15 November 2025 in alignment with the conclusion of Mr Sleigh's second term as an Independent Member of the Audit and Risk Committee.

DISCUSSION

The Committee consists of five members comprising of three independent members as well as the Mayor and another Councillor (Councillor Bernadette Hogan as the delegate in 2025), as the representatives of Council.

In November 2024, Ms Margaret Abbey PSM concluded her final term as both an independent member and as the Audit and Risk Committee Chairperson. The appointment of a third independent member was made at the December 2024 meeting of Council, with an interim chair being appointed by the Committee for the December and February Audit and Risk Committee meetings.

Mr Dean Sleigh has served on the Committee since his appointment in November 2019 and will conclude his second term on 14 November 2025.

Following advice from the independent members Mr Stephen Gardner and Bernard Young, who did not consider themselves able to take on the Committee Chair duties at this time, it was nominated that Mr Sleigh be recommended to Council for appointment to the position of Chairperson for the remainder of his second term. Mr Sleigh is a financial executive in the private sector and has extensive experience in financial governance roles.

Under the Committee Charter, a Chair may serve two consecutive 24 month terms.

RELEVANT LAW

Section 53 of the Local Government Act 2020 outlines the requirement of Council to prepare and approve an Audit and Risk Committee Charter.

RELATED COUNCIL DECISIONS

The Committee was established by Council on 12 August 2020 and the Charter was adopted on 9 November 2022.

Ms Margaret Abbey PSM was originally appointed to her second term as independent member and Committee Chair at the Council Meeting on 13 October 2021.

Mr Bernard Young was appointed to his first term as independent member at the Council Meeting on 13 November 2019.

Mr Dean Sleigh was appointed for his second term as independent member at the Council Meeting on 9 November 2022.

Mr Stephen Gardner was appointed for his first term as independent member at the Council Meeting on 18 December 2024.

OPTIONS

The Council has the option to determine not to appoint Mr Sleigh as Committee Chair, however that is not advisable due to availability of other independent members for this role at this time.

If Mr Sleigh is not appointed before the May Committee Meeting, then Mr Sleigh may be considered for a temporary Chair role at the May Committee Meeting, until such time as a Chair can be appointed.

8.2.2 VARIATION TO CONTRACT C125 - ADDITIONAL SCOPE OF WORKS

Author's Title: Senior Manager Assets and Delivery

Directorate: Infrastructure and Delivery

File No: DR/28/05

Relevance to Council Plan 2021 - 2025

Strategic Objective: An Attractive and Well Maintained Buloke

PURPOSE

To report is presented to Council to consider a proposed contract variation to Contract C125 2024/25 - AGRN1037 – Flood Recovery Works – Major Patching Package CE-0004 and CE-0005 (Contract C125). The proposed contract variation seeks to vary the Works Under Contract and the Lump Sum contract value.

SUMMARY

As part of the 2024/25 adopted Council Budget, a budget allocation of \$1,850,000 was allocated to road renewal works, in particular the Road Reseal Program and the Road Resheeting Program. Each year the condition of the sealed and unsealed road network is assessed to determine what roads will be renewed from the Capital Budget allocation.

Typically, the works associated with the Capital Renewal Program are delivered by external contractors, that are engaged via a procurement process that aligns with the requirements of Council's Procurement Policy.

There is an opportunity to leverage the existing Contract C125 to deliver Council's Road renewal program via a variation. The scope of works to be delivered by Contract C125 is similar to the works required to complete Council's resheeting and shoulder resheeting works program, and as such the use of Contract C125 is a logical fit to deliver Council's Road renewal program.

RECOMMENDATION

That Council:

1. Approve the increase of the Lump Sum Contract Value of Contract C125 2024/25 – AGRN1037 Flood Recovery Works – Major Patching CE-004 and CE-005 to \$2,567,399.38 (excl GST).

DISCUSSION

The variation process to include additional works and associated contract value increase is an administrative process that is enabled by the Conditions of Contract. The consideration for whether the variation of an existing contract to include a significant package of additional work needs to satisfy Council's Procurement requirements detailed within the Procurement Policy. Considerations include opportunity for suppliers to bid for Council work, delivery of contract works that provide best value to Council, and the capacity for the works to be completed within the required timeframe.

Given Contract C125 was recently advertised via a public Request For Tender process and subsequently evaluated and awarded, it is reasonable to determine Council has undertaken a recent market assessment and that the pricing of works will provide best value for Council; in short, the probability of obtaining a better price to complete the road renewal works is considered very low by returning to the market and completing a public Request For Tender process.

The value of works to be added to Contract C125 is \$643,525.96 excluding GST, which represents a lump sum Contract Value increase of 33%, noting the awarded Contract Value for Contract C125 is \$1,923,873.42, and approval of the inclusion of addition Works Under Contract and associated pricing would adjust the Contract Value to \$2,567,399.38.

RELEVANT LAW

The variation of the Contract C125 lump sum value has been conducted in accordance with the requirements of Council's Procurement Policy.

RELATED COUNCIL DECISIONS

At the September 2024 Council Meeting, Council resolved to award Contract C125 2024/25 - AGRN1037 – Flood Recovery Works – Major Patching Package CE-0004 and CE-0005 (Contract C125) to Greg's Digging Pyt Ltd.

OPTIONS

To progress the Capital Road renewal program, in particular the resheeting and shoulder resheeting program, the following options are available;

Option 1:

Forward a variation for determination to Contract C125 to include additional Works Under Contract and approve the adjustment of the Lump Sum Contract Value to the April 2025 Council Meeting. This is the preferred option as it ensures Buloke Shire Council can progress with the delivery of road renewal works within this financial year.

Option 2:

Undertake a public Request for Tender procurement process for the delivery of the Capital road renewal program to seek submissions from contractors, and following evaluation consider the award of Contract. This option is not preferred as the time requirements to complete a new procurement process will not allow for the works to be completed this financial year.

SUSTAINABILITY IMPLICATIONS

There are no identified sustainability implications relating to this matter.

COMMUNITY ENGAGEMENT

The community will be informed of works to be completed if they are likely to be impacted or inconvenienced in the delivery of the road renewal projects.

INNOVATION AND CONTINUOUS IMPROVEMENT

There are no innovation and/or continuous improvement opportunities identified relating to this matter.

COLLABORATION

No opportunities for collaboration were available at the time this tender was released to market.

FINANCIAL VIABILITY

The road renewal projects to be included within the Works Under Contract of Contract C125 are fully funded within the 2024-25 Adopted Council Budget.

REGIONAL, STATE AND NATIONAL PLANS AND POLICIES

Not applicable to this report.

COUNCIL PLANS AND POLICIES

The variation of an existing Contract to include additional Works Under Contract and subsequent increase in the Lump Sum Contract Value is provided for within Council's Procurement Policy.

CONFLICT OF INTEREST
