## FLOOD RECOVERY ROADWORKS UPDATE

Current flood recovery works are continuing, with recent rainfall causing delays to several projects. Works are now expected to be completed by mid to late September, subject to weather conditions and road accessibility.

Council continues to monitor sealed roads affected by the March 2025 floods, with some damage potentially taking months to emerge. Council is preparing applications for Disaster Recovery Funding Arrangements (DRFA) assistance to support eligible reconstruction works.

- **Flood-damaged gravel roads:** Repairs have paused as roads are too wet for machinery and will resume when conditions improve.
- **Watchupga West Road:** Reconstruction of 550 metres is complete, with the road remaining stable despite recent rain and awaiting sealing when conditions dry.
- **Berriwillock and Woomelang roads:** Rehabilitation works on Berriwillock-Woomelang, Berriwillock-Springfield and Willangie-Woomelang roads have been impacted by rainfall.
- **Willangie-Woomelang Road:** Reconstruction is complete and the road is drying before sealing
- **Nullawil-Meridian Road:** Council remains committed to rehabilitating the road this year. Temporary road closures will be required during construction.
