Facilities Officially Open

15 August 2017

Home games for Nullawil and Sea Lake Nandaly were the perfect backdrop for the official openings of sporting facility upgrades on Saturday 12 August. Mayor, Cr David Pollard opened the facilities to excited competitors, officials and spectators.

The Nullawil netball change room upgrade was achieved through funding from Sport and Recreation Victoria's Community Sports Infrastructure Fund – Female Friendly Facilities, which saw the refurbishment of an ageing netball club room to provide dedicated change rooms, toilets and showers for female netballers. An accessible and family toilet and change room were also installed as a part of the project.

The Sea Lake multipurpose netball courts upgrade saw the extension and resurfacing of old non-compliant netball and tennis courts and the installation of match quality lighting for both sports, enabling safe use for netball and tennis at night. The project was funded with support from Sport and Recreation Victoria's Country Football Netball Program and local community contributions.

“These facility upgrades are both outstanding examples of Council and community working together to achieve great results. The Buloke Shire Council Plan outlines how we will focus on ensuring the promotion of recreational activities and work together with government and sporting assemblies to deliver accessible facilities and programs. It was a great pleasure to open the facilities and take in some great action in the North Central and Golden Rivers leagues”, said Cr Pollard.

Cr David Pollard and Gail Smith, President Nullawil Netball Club.

Deb Emonson, Sea Lake Nandaly Netball Club and Cr David Pollard.
