

OUR LOCAL COMMUNITY PLAN

The Berriwillock community led by the Berriwillock Community Development Group updated their last community plan in 2013. Funding in 2018 from the Federal Government's Building Better Regions Fund supported the re-engagement of community to explore longer term issues and aspirations looking towards 2030.

Recent community consultation has strongly informed this renewed 2018 plan that will also inform the Buloke 2030 'whole of shire' integrated plan focusing on livability and economic development in the current rural environment.

Residents in and around Berriwillock were invited to share their thoughts through:

- o an online survey
- community postcards
- o a drop in session
- o a focus group
- o a community workshop; and
- O draft plan feedback processes.

The Berriwillock & District Local Community Plan is a community owned plan that captures community aspirations across a broad range of areas (not just local government). The plan gives voice to local aims and aspirations and provides an opportunity for involvement by people who are interested in shaping the future of Berriwillock and District.

BENEFITS OF COMMUNITY PLANNING

A Community Plan describes the community's long term vision and aspirations and is a way of directly involving residents in future planning.

The Berriwillock and District community has already made a number of achievements as a result of their previous community plans, such as:

- O Berriwillock Community Centre
- O Relocation of bowling green to community centre
- O Back to Berriwillock celebration
- O The successful engagement of young families in community activity

Buloke Shire Council

HOW DOES THIS PLAN FIT?

The ten Local Community Plans have informed the development of a 'whole of Buloke Shire' integrated Community Plan. The Buloke Shire Integrated Community Plan will inform Council's planning processes over the next three Council Planning phases up to 2030.

This Plan will also strongly inform the direction of a range of key stakeholder organisations that are connected to Buloke Shire communities.

PUTTING THIS PLAN INTO ACTION

Implementation of the Berriwillock and District Local Community Plan will be driven by the Berriwillock Community Development Group.

A key Council representative will attend meetings to enable leadership and support from Council wherever appropriate. An action plan template has been developed to assist with local project planning and review.
