

## Future Tech

Students from Buloke took part in the 'Growing Smarter in the Mallee AgTech Summit' to learn about the latest in emerging production innovations using smart technologies.

The initiative was funded by the Internet of Things Smart Cities Starter Kit Project by Regional Development Victoria, in partnership with Council.

Students from Birchip and Wycheproof's P-12 colleges met up with Smart Cities Project Officer, Vanessa Hall.

They learned about how Council is using these technologies to improve service delivery and about exciting career futures right here in Buloke.
