

Birchip Plan Meeting

It takes great ideas to build a strong future, and the Birchip Park and Civic Precinct Master Plan project has now reached the design concept stage through an extensive consultation process with the community project advisory group and regular key users of the facilities identified in the plan.

Buloke Shire Council are now inviting all Birchip community members to attend a Community Engagement Session to further discuss community priorities, and to enable the community to provide a direction for the development of the final design, feasibility study and business case.

The session will be facilitated by Craig Kenny (Mach 2) and the Council's project team. There will be project information available in hard copy on the night, and a further opportunity to fill out feedback forms after the session.

When:
6pm – 8pm, Wednesday 22 June 2022.

Where:
Birchip Public Hall

The session will include:

- Background and information in relation to the project, who has been involved, steps taken so far, feedback trends
- Q&A, finding consensus on community priorities and providing direction
