## COMMUNITY ACTION PLAN

### 2025 - 2029

The **Wycheproof Community Plan 2025-2029** has been developed by the Wyche Alive Inc with the aim to strengthen community connections, protect community assets and celebrate community pride. It is based on feedback received from the local community and is designed to be a live document that continues to reflect the progress of the priority projects as they develop.

Through the development of the **Wycheproof Community Plan 2025-2029**, a number of priorities were identified that have been considered beyond the responsibility of Wyche Alive Inc. These priorities are included as Advocacy Priorities with the aim of highlighting their importance to the Wycheproof community and encourage action by the relevant government agencies and service providers.

Wyche Alive Inc are the custodians of the **Wycheproof Community Plan 2025-2029** and will monitor its implementation on an ongoing basis and allow for alterations to the plan in response to arising opportunities or changed circumstances. Regular update will be provided to Council and the community through a formal annual review presented at the Wyche Alive Inc. Annual General Meeting.

<b>Community Facilities</b>	Continue investment in our local recreation assets through the development and implementation of master plans, improved toilet facilities, shared management role (i.e. greenskeeper) and regional level aquatic centre.
<b>Road Safety</b>	Advocate that our roads are kept maintained and graded on a regular basis to provide a safe road network in and around Wycheproof.
<b>Wetlands</b>	Encourage the prioritisation for the completion of the Wetlands Precinct project.
<b>Service Levels</b>	Maintain or increase the services available in our town such as police, banks, and stock and trade businesses.
<b>Health</b>	Continue to work closely with our local health care providers to ensure that Wycheproof maintains its current health services and plans for our future health needs (i.e. Hospital upgrades). Encourage the potential development of the former nurses units at the back of the Hospital. Advocate for aged care housing models to provide more downsizing options for our residents that need additional support and care.

For more information about any of the priority projects, or how you can be involved, contact Wyche Alive Inc at [info@wycheproof.vic.au](mailto:info@wycheproof.vic.au)
