Help Shape Our Community Engagement Policy

Over the next four months, and to align with the new Council following the October Council Elections and implementation of the new Local Government Act, Council is redeveloping its Community Engagement Policy.

Community engagement and participation is an important element of the democratic process. An empowered community is one that actively participates to influence decisions that affect their lives.

The Community Engagement Policy outlines our commitment to provide the community with genuine opportunities to contribute to and inform projects, strategies, services and decisions that affect them. It will underpin sound planning and project development and will help us meet our legislative requirements.

Council invites you to take a quick survey to help inform our next steps at <https://oursay.org/buloke-community-engagement>
