

Pool Winner

As part of Council's ongoing improvement of our swimming pools, the Youth Team recently held a competition for primary school students across Buloke asking participants to design their ideal pool.

Of 47 entries, voting was fiercely contested, with one design from Donald Primary School's **Imogen Manifold** rising to the top and becoming the winner. Imogen will be asked to help choose new inflatable toys and to launch them at a pool party in the coming season. Of course, thanks to Imogen the pool party will most likely be held at Donald!

An online survey for grown ups was also conducted earlier in the year, with Council considering many suggestions from the community. Those interested in becoming more involved with Buloke's seven pools can also apply for FREE Lifeguard Training and paid casual work over the 2022/23 season by submitting an Expression of Interest by 19 September 2022.

Easier Payments

In response to community requests, Council is implementing an online payment option for rates and other payments. This feature will enable residents to manage fees and rates at their own pace, while keeping personal details safe and secure and assisting the community with household budgeting.

All current methods of payment, such as over-the-counter and BPAY, will continue as options into the future.

The online payment option is designed for use on both computers and smartphones and is expected to be operational in coming weeks, once fully tested. There is no additional fee to use this service.

For further information visit: www.buloke.vic.gov.au/make-a-payment or call Customer Service on 1300 520 520.

Bolstering Info Services

Council's internal servers are receiving a little bit of love and a timely upgrade over the next two weeks. Internal processes have pivoted to ensure community service needs are maintained, however intermittent internal technical issues may be experienced, delaying responses to customer requests.

It's business as usual with all communications with our community, online processing and payment systems. We appreciate your patience and will update the community throughout the process.
