

Buloke | Glass Out

A FREE service has commenced across Buloke Shire Council to help improve the way our community recycles. You can now take your lightly rinsed empty glass bottles and jars to a local drop off. These glass drop off sites, are located at various places across our Shire:

- **Birchip Landfill:** 2094 Birchip-Corack RD – Birchip
- **Charlton Waste Transfer Station:** St Arnaud RD Charlton
- **Donald Waste Transfer Station:** Depot RD Donald

- **Sea Lake Landfill:** Robinvale RD Sea Lake
- **Wycheproof Waste Transfer Station:** 281 Mackies RD Wycheproof

Help make the most of your glass recycling, so that it can be turned into things we can re use... like roads and new glass items. Glass out sites will soon be offered at small townships, and all towns will be having a central drop off point.

To find out more including opening times of above drop off locations, or to update your recycling knowledge visit www.buloke.vic.gov.au/glass-out. For further information contact 1300 520 520.
