

Disability Support Network

The Disability Support Network is a group dedicated to bringing together people with disabilities, carers including NDIS, and support services from across Buloke.

The Network will be an opportunity for you to:

- Connect with other People with a Disability in the Buloke Shire.
- Provide Input on Council Planning focusing on Access and Inclusion.
- Link in with Disability Service Providers in the area.

The Network meets on the third Tuesday every month, at 10am.

Meetings will take place both online and in person at different locations across Buloke.
