### **Funding announced for Sea Lake facilities**

**18 April 2016**

Funding has been announced for the extension of the existing Netball/Tennis courts, resurfacing new area with acrylic surface, upgrading the court lighting and the installation of compliant court drainage at the Sea Lake/Nandaly Football Netball Club.

The Member for Northern Victoria, Steve Herbert, announced a \$100,000 Country Football Netball grant on Friday 15 April. This gives Sea Lake/Nandaly Football Netball Club the opportunity to update tired facilities and build the club they need.

“This is a significant win for the Town of Sea Lake, the Sea Lake/Nandaly Football Netball Club and the broader community. These upgrades will give local netballers and tennis players the opportunity to show their best, everyone deserve equal facilities no matter where they live. This announcement comes on the back of welcome recent funding announcements for Charlton, Donald, Green Lake, Nullawil and Wycheproof”, said Mayor, Cr Reid Mather.

“The Country Football Netball Program gives local clubs all over Victoria the facilities to attract more members and thrive, no matter where they’re based”, said Minister for Sport, John Eren.
