A total of 39 projects have been successful across the Shire. Be on the lookout for different events and projects happening in your communities.

If you would still like to fund a local community project Council currently has two available grant programs, the Community Grants Program and the Sustainability Grants Program.

### Buloke Streetscape Renewal Project

A sign of things to come.

The Brightening Broadway Project is set to step up with Capeng Pty Ltd awarded the contract at Council's last Ordinary Meeting.

The \$600,000 project, co-funded by Regional Development Victoria (State Government, \$450,000), and the Buloke Shire Council (\$150,000) is set to deliver a suite of improvements aimed at boosting accessibility, enhancing appearance and driving positive economic outcomes.

It is the next important plank in the Buloke Streetscape Renewal Project which will transform the streets to Birchip (well underway), Charlton, Donald, Sea Lake and Wycheproof.
