Have Your Say on the Domestic Animal Management Plan

Council has released its Draft Domestic Animal Management Plan (DAMP) for consultation.

The DAMP outlines Council's services, programs and policies established to administer the management of cat and dog issues in the community.

Council's DAMP promotes responsible pet ownership, and the welfare of cats and dogs. The plan also assists in the protection of the community and environment from nuisance cats and dogs, and in minimising the risk of attacks by dogs. It also encourages the registration of and identification of cats and dogs.

You can view the DAMP at www.buloke.vic.gov.au or in person at Council's Wycheproof Customer Service Centre (COVID-19 restrictions may apply).

Submissions can be made in writing to PO Box 1, Wycheproof VIC 3527 or via email to buloke@buloke.vic.gov.au by **5.00pm Thursday 7 October 2021**.

FREE Green Waste Month is Coming

To help make Buloke Fire Ready for the upcoming season, Council is accepting green waste FREE OF CHARGE through the month of October at all landfills and transfer stations.

Every landowner in the Shire has a responsibility to minimise the threat to life and property from fire.

There are a number of steps that you can take to make your property "fire safe".

Mowing up to fence and building lines, trimming trees and hedges, removing accumulated rubbish and removing flammable materials such as tyres.

Rural landowners with property adjacent to town boundaries can also help through rubbish removal and putting firebreaks within their property boundary.

Let's clean up and be Fire Ready this season.
