FREE Green Waste Month is Here!

To help make Buloke Fire Ready for the upcoming season, Council is accepting green waste FREE OF CHARGE through the month of October at all landfills and transfer stations.

Every landowner in the Shire has a responsibility to minimise the threat to life and property from fire.

There are a number of steps that you can take to make your property "fire safe".

Mowing up to fence and building lines, trimming trees and hedges, removing accumulated rubbish and removing flammable materials such as tyres.

Rural landowners with property adjacent to town boundaries can also help through rubbish removal and putting firebreaks within their property boundary.

Let's clean up and be Fire Ready this season.

Hardship Policy Is There If You Need

It is a tough time, the likes of which we may not see again in our lifetimes. Ratepayers can apply to Council for assistance relating to any unpaid rates under Council's Rates and Charges Financial Hardship Policy.

Council's Rates and Charges Financial Hardship Policy provides a number of options for ratepayers who are in genuine financial hardship to help manage liability.

The policy provides such options as deferment of rates and charges or the granting of a waiver of interest on rates or charges to ratepayers experiencing demonstrated financial hardship.

Ratepayers will start receiving notice soon, which are due for payment in full by 15 February 2022, additionally ratepayers can elect to pay by quarterly instalments.

We're working to help ratepayers who are experiencing financial difficulties due to the COVID-19 pandemic or whatever life may be throwing at them.

You can view Council's Rates and Charges Financial Hardship Policy at www.buloke.vic.gov.au/payment-difficulties.

Ratepayers are encouraged to contact Council's Rates Officer on **1300 520 520** if they are having difficulty paying part, or all, of their rates, charges or Fire Services Property Levy.

Make a Splash This Season!

Get ready to grab a towel! Council has set the dates for the upcoming swimming pool season.

The gates will open at all seven of Council's pools on Friday 12 November 2021 with the season scheduled to conclude on Sunday 20 March 2022.

The Cold Weather Policy will again apply across the season, seeing pools closed on days of low temperature and 'banked' to extend the season should warmer weather continue beyond the scheduled season.

For those looking for casual employment across the season, our popular Pool Lifeguard positions are now open.

See you at the pool!
