

COVID-19 Update

The Victorian Government has communicated a new set of standards for us to follow. No longer are there five reasons to leave your house, but we are all urged to use our common sense in limiting our movement.

From 1 July 2020 Council will resume the approval for the selling of raffle tickets. The issuing of approval will have with it some conditions around social distancing and hygiene to protect both the seller of tickets and prospective purchasers.

Don't forget to get involved in our #BulokeKind social media campaign. Look out for the great stories of kindness that have arisen throughout the health crisis and share your own on Facebook and Twitter.

As we reinstate some facilities and services minimising disruption is a high priority, second only to the health and wellbeing of the community. Council will continue to keep the community updated and you can find a range of resources and a full list of affected services at www.buloke.vic.gov.au/coronavirus-covid-19-health-alert.
